

SUMMARY

Magic Power Module Designer

REDEXPERT®**Specifications****Input Parameters**

Vin (min) 12.0 V

Vin (max) 24.0 V

Iout 1.00 A

Simulation Results

Iin (min) 270 mA

Iin (max) 540 mA

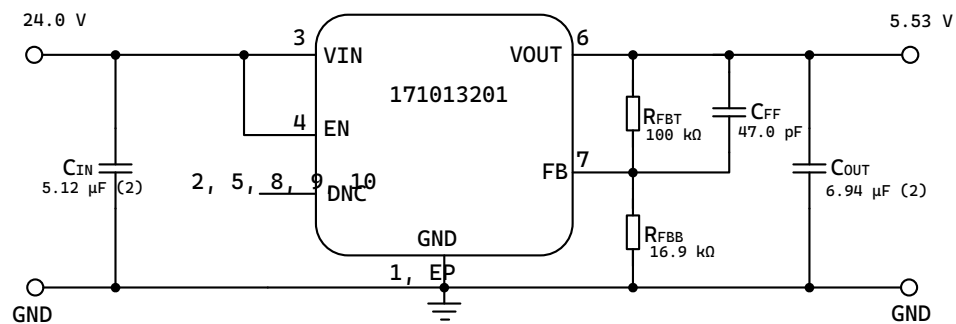

Pout 5.53 W

Vout 5.53 V

Efficiency 85.4 %

Vout
ripple 7.23 mV

Fsw 2.00 MHz

**Bill of Materials**

#	Ref. Des.	Order Code	Properties	Mount	Qty	Datasheet
1	U1	171013201	4.5 - 32V / 1.2 - 6V @ 1A Variable Step Down Micro Module Package = LGA-10		1	PDF
2	Rfbb	ꯀ	Resistance = 16.9 kΩ		1	
3	Rfbt	ꯀ	Resistance = 100 kΩ		1	
4	Cin	885012208094	Rated Capacitance = 4.70 μF Rated Voltage = 50.0 V Type = Ceramic (X7R) Size = 1206 (EIA) / 3216 (IEC)	SMT	2	PDF

5	Cout	885012107009	Rated Capacitance = 4.70 μ F Rated Voltage = 10.0 V Type = Ceramic (X5R) Size = 0805 (EIA) / 2012 (IEC)	SMT	2	
6	Cff	885012004010	Rated Capacitance = 47.0 pF Rated Voltage = 25.0 V Type = Ceramic (NP0) Size = 0201 (EIA) / Not Available (IEC)	SMT	1

WE provides information, technical and reliability data and other services, including, but not limited to, selection software, development and design tools, simulation tools, and mobile applications (collectively, "WE Services") "AS IS". WE Services comply, to the best of WE knowledge and experience, with the state of the scientific and technical knowledge. They are believed to be accurate and reliable. Notwithstanding the above, WE makes no representations and warranties of any kind related to their accuracy, correctness, completeness, security and/or usability for customer applications. It is the customer's responsibility to verify the results of his use of WE Services in his own particular design and product environment and he bears the entire risk of doing or not doing so. WE Services are subject to change without notice. WE grants you permission to use WE Services only for development of an application that uses the WE products described in the WE Services. Other reproduction and display of it is prohibited. Any information or documentation provided through the WE Services has been made available to you free of charge for your use, but remains the sole property of WE. Only authorization for using WE Services are provided, no other license, express or implied, by estoppel or otherwise to any other WE intellectual property right, and no license to any third party technology or intellectual property right, is granted herein. WE disclaims responsibility for, and you will fully indemnify WE and its representatives against, any claims, damages, costs, losses, and liabilities arising out of your use of WE Services. In no event shall WE be liable for any incidental, unforeseeable, or untypical damages as well as loss of profit Providing WE Services does not expand or otherwise alter WE's applicable terms available either on WE's homepage or provided in connection with WE products.
